

## **Annual Table Fee Schedule**

As a result of new legislation signed by Governor Schwarzenegger – AB 1620 (Klehs), Chapter 721, Statutes of 2006, the annual cardroom table fees will increase effective January 1, 2007. The bill amends section 19951 of the Business and Professions Code, which refers to two fee schedules to calculate cardroom fees: (1) based on the number of authorized tables if the annual gross revenue is less than \$200,000 or (2) based on the cardroom's annual gross revenue if over \$200,000, whichever amount is greater. The chart below combines both fee schedules for simplicity in calculating annual table fees.
